

Francisco Carriço

04-05-1999, 21 YEARS

Profile

I'm a young 21 man highly motivated and searching for my true entry into the job market. I believe I am gifted with good communication skills, interested in interacting with the client, and with advanced knowledge in the I.T world, a world which I feel in love with since my first contact with it when I was still a child.

IPCA

" Good afternoon Francisco Carriço,
We would like to thank you once again and this time on an official note for your performance on the Mirro CUP. With the important factor that this was your first time casting it was a nice surprise to witness your quality improvement throughout the event. It was an immeasurable pleasure to work with you.
We hope to be able you work with you in the future on other projects.
Greetings Mirrásticas,
Engenharia IPCA"
